O.J TECHNOLOGIES

...bringing tomorrow's premium technologies to today's reality

30th June, 2023.

Ugochukwu Nwankiti

OFFER OF INTERNSHIP

We are pleased to offer you a 6 months hybrid internship position as a **software developer** with our company **O.J Technologies LTD** with a start date **3rd July, 2023**. You will be reporting to **Ms Theresa Amaku** and the **CEO** with the online channels provided.

As you go through this internship program, you will be required to carry out all software development duties as assigned, including other activities as may be assigned from time to time, as you gain hands-on experience in the field.

The official work days are Mondays through Fridays, you will be required to put in a minimum of **30 hours per week**. You would be assigned tasks with deadlines and be required to submit **daily activities reports**, as you work remotely.

As part of the internship program you will be entitled to a monthly allowance/stipend of **₦50,000.00**. This covers all allowances including data.

During your internship, you will have access to the company's clients and confidential information. You agree that you will keep all this information and client information **strictly confidential** and will **not share** it with anyone outside the company. You will not use it for your own benefit and on completion of the internship, you'll return documents, equipment, and all property of the company.

Please indicate your acceptance of this offer on or before **2nd July, 2023**. On acceptance of this internship, you will be provided an Internship agreement/mou for signing.

Congratulations on your internship.

Joseph Ojighoro E.,

Chair/CEO, O.J Technologies LTD.
